RESTAURANT CULTURE

My name is Joanna. When I came to the UK in 2003 to study I found out that what people think of as Chinese food isn't authentic, and that the China in people's minds is nothing like the real China and real Chinese culture. So I always had a dream of opening my own authentic Chinese restaurant. I've always believed that food and love are the same thing – and then I met Steven, my Mr Right, and an English chef. Is that fate or a coincidence? I think working in food was my destiny. Born in China's Shandong Province, I did my first degree there before moving to Wales to study a BA there as an exchange student. I then did a Master of Marketing & Strategy at Warwick University, where I met my future husband Steven. I spent ten years working in telecoms and then food, progressing from sales executive to head of sales, but never gave up on the dream of running my own business. At the end of 2018, my family moved to Reading to start our adventure, opening Kungfu Kitchen offering authentic regional Chinese food. Our dishes includes Sichuan, Shandong, Dongbei and Cantonese cuisines. We are **NUT FREE** restaurant and can meet all allergy request. Everyone deserves the authenticity and top quality service from family friendly run Kungfu Kitchen. We are here for you!

Time flies! Kungfu Kitchen is five years old and our brilliant customers have kept us company through many ups and downs. Those five years have passed in the blink of an eye. In that time, we've insisted on making every dish with heart and serving every customer with love. And we plan to do exactly the same for the next five years in this new location, continuing to uphold our passion for authentic Chinese food and pursuing ever higher quality and even better service. We hope you'll stay with us on our journey, and any feedback you can give us - in person or online - is always hugely appreciated.
